

The #1 killer of teenagers doesn't have a trigger. It has a steering wheel.

What Every Family Needs to Know About Teens and Driving

Wednesday, Sept. 15, 2010, 6:30 p.m.

DHHS Porthole

RSVP: dhhsptsa@cox.net

- **David Sabet**, Journey Safe will discuss the danger involved when inexperience is mixed with driver distraction
- **Officer Eric Barnard**, CHP officer, will discuss driving laws and consequences
- **Mark Stolberg**, Driving Skills Institute, will give families the tools to maximize a teen driver's chances of surviving on today's busy streets and highways.
- Demystify the process of obtaining a license and understand all the requirements

Required program for any Junior wishing to apply for a Junior parking pass this school year. Students must sign out at the end of the meeting to qualify for the lottery and be accompanied by a parent.

*Please note this seminar must be attended within six months of a student's junior year in order to qualify for the junior parking pass lottery
