

- An Invitation will be provided for each PTA President to personally invite their principal. Councils should invite their **Superintendents** and **School Board members**. These invitations will be available the last week of January.
- A Video presentation will be shown that evening that will include photos from **each of our Councils**. We need you to provide **pictures or videos** telling us about an event or events from this year. We would love to have these pictures at the February 15th meeting.
- We are including a **Silent Auction and Raffle** to raise funds for our Fourth District PTA free will offering that celebrates PTA Founders Day, proceeds will also help to defer cost of the event. **Donations** of tickets, gift cards and gift items are greatly appreciated.
