

INSURANCE COVERAGE AND SERVICE

California State PTA is committed to ensuring you have the best possible insurance coverage and service to protect your unit and your members. As of October 23, 2018, California State PTA changed insurance brokers to AIM Association Insurance Management Inc.

Insurance is handled by both a broker (policy services) and a carrier (policy that provides coverage and pays claims). **There is no change to your current carrier coverage, limits or premiums; and there is no lapse in coverage.** California State PTA provides Comprehensive General Liability coverage with a \$1,000,000 limit that covers all unit, council and district PTAs in the state when involved in allowable PTA activities. Only the insurance broker has changed.

We thank you in advance for your patience as we transition through this period.
