

CUCPTSA STATEMENT FOR JULY 15, 2020 SCHOOL BOARD MEETING

CUCPTSA DENOUNCES RACIAL INJUSTICE AND CALLS FOR GREATER EQUITY AND INCLUSION

Capistrano Unified Council of PTSA (CUCPTSA) denounces racial injustice, violence, and the recurring brutal mistreatment of Blacks, LatinX, and any minority groups in our nation and community. We stand demanding change for these groups to be accepted and included, empowered and educated.

As parents and caregivers, we do everything in our power to protect our children from harm, but the reality of continuing discrimination and injustice makes that impossible for many of our children and families of color. This cannot continue.

Capistrano Unified Council of PTSA joins our community, education, and equity partners in seeking concrete actions to address the pattern of institutional discrimination and violence against Blacks, LatinX and any minority groups. CUCPTSA commits to working towards eliminating implicit bias, racism and inequities. We are working to bring to life the principles of inclusion, equity, and diversity.

PTA's mission is to positively impact the lives of all children and families. Therefore, CUCPTSA strives to create communities that provide safety, opportunity, and a nurturing environment.
