Monthly meeting Friday, May 6, 2022 @ 9:30am via zoom

In Local News:

NEXT CUSD REGULAR BOARD OF TRUSTEES MEETING is Wednesday, **May 18, 2022 @ 7PM**. I encourage you to listen in virtually or attend in person at the district office. As always, the board agendas are available approximately 72 hours prior to the board meeting. They can be found on the district's website under the BOARD tab. Look for an email from Ryan Burris approximately 72 hour prior to the meeting with a copy of the agenda and the exhibits. He will also include instructions on emailing your trustees with comments on any agenda item and provide information on how to make a public comment either online or in person. If you have additional questions, PLEASE feel free to reach out to me! I encourage all of you to "pull a blue card" and speak about something you are passionate about. Maybe your school site is doing a fundraiser that you would like to spread the word on or share some good news that is happening on your campus/events.

From Fourth District PTA:

Talking Points for Legislative Chairs, May 2022

Details are in the May issue of the *Advocacy Communicator*.

- Are we going to have a candidate forum for our school board election in the fall? If so, we should start planning now.
- Spend your summer reading the lessons at Ed.100.org and by the fall you'll be a powerful, well-informed advocate.
- The May 3 candidate forum for Orange County Superintendent of Schools and the Orange County Board of Education was recorded. If you missed the forum you can watch it on the Fourth District PTA website.
- Kevin Gordon will be the guest speaker at the California State PTA Advocacy Briefing on May 24. He will talk about the Governor's May revise budget proposal and how that impacts our schools.
- Votersedge.org has nonpartisan information about federal, state and local candidates in the June 7 Primary Election.
- The election in June is a top-two open primary. For partisan offices like U.S. senator, U.S. representative, governor, state senate and assembly, and other state offices, all of the candidates are on everyone's ballot, no matter what party you registered with. The two candidates who get the most votes, regardless of party affiliation, advance to the General Election in November. For nonpartisan offices like county superintendent of schools, the county school board, county supervisors, and judges, the candidate who gets the majority of votes in June is

elected. If no one gets a majority, the two top candidates advance to the General Election.

- The newsletter has a statement from PTA about the President's proposed budget for 2023. The reaction is positive.
- The Food and Drug Administration has not fully approved COVID-19 vaccines for children, so there will be no COVID vaccine mandate for students for the 2022-23 school year.
- Are we ready for PTA advocacy next year? We need to make sure advocacy is in our budget, including \$700 to send someone to Sacramento Safari in 2023.

In State News:

The 2022 California Primary is coming! June 7th is ELECTION DAY! Primary Elections are important elections to pay attention to as they are a time in which some candidate races are "one and done" and others are a "jungle primary". What does this all mean? Some races like the Orange County Superintendent, Orange County Board of Education, and OC Judges are "one and done". That means that whoever receives the highest number of votes, wins. Other races like our State Assembly and our congressional races are what is referred to as a "jungle primary". That means that the two candidates with the most votes go on to the general election in November. You should have received your "Voter's guide" in the mail and ballots drop on May 9th! Cost, emotional stress leading to enrollment challenges at colleges, study finds-By Michael Burke Edsource

Many adults across the United States who don't attend college are interested in enrolling, but the high costs of attendance are preventing them from doing so. At the same time, significant numbers of students currently enrolled in college have recently considered dropping out, and they overwhelmingly point to emotional stress as the reason.

School choice backers fail to put measure on California's November ballot- By John Fensterwald Edsource

School choice will not be on the ballot in November. The man who led an initiative campaign to provide \$14,000 per student for parents and guardians to select the private or religious school of their choice acknowledged that the drive fell substantially short of the signatures needed to put the measure before voters.
