WORKSHOP TITLES BY DAY AND TIME

We are asking early registrants to help us with ensuring a good room allocation by providing us with the two most likely workshops for each Session. We will make the room allocations by April 22nd, when registered attendees will be able to plan their workshop choices.

Descriptions for each workshop will be available no later than mid-March.

*** Tentative and subject to change**

Last updated: 3/16/2022
